

AUTHOR GUIDELINES

Gomal Journal of Medical Sciences (GJMS) is published bi-annually by Gomal Medical College, Dera Ismail Khan, Pakistan. It follows the Uniform Requirements for Manuscripts Submitted to Biomedical Journals available at www.icmje.org.

Submission of Manuscripts

Manuscripts containing original material are accepted only. Neither the article nor any part of its essential substance should be submitted for publication elsewhere before appearing in this journal. Please submit the manuscript in MS word format through a five step submission process by creating an account or login to an existing account at www.gjms.com.pk.

Title Page

Please make sure to include the information regarding all authors during the submission process. This list should identify the Principal author and Co-authors in order desired to appear in the print.

Language

The native languages of Editors are Urdu and Pushto but GJMS is published in English.

Try to follow the British English but do not hesitate to use American English where convenient.

Abstract

It should not exceed 250 words. It should have the following sub-headings: Background, Material & Methods, Results, and Conclusion.

Keywords

Two to ten key words per manuscript should be given. These must be included in MeSH of Index Medicus available at <http://www.nlm.nih.gov/mesh/MBrowser.html>

Original Article

The main part of the original research article should have the following sub-headings: Introduction, Material and Methods, Results, Discussion and Conclusion.

Abbreviations

Standard abbreviations should be used only.

For every abbreviation the full word should be given

at first with abbreviation in parenthesis.

Tables and Illustrations

Each table should have a number and brief title.

Illustrations should be of good quality.

Each table or illustration should have an accompanying legend.

If a table or an illustration has been reproduced from a published work, permission from the author & publisher must be submitted.

The author must submit permission for any illustrations that identify human subject.

References

References should be given in digits as superscripts within the text, as in the standard medical journals.

Vancouver style should be followed, e.g. 1. Ishaq T, Khattak MI, Amin S, Haq NU. Frequency and risk factors for hepatitis C among pregnant women. *Gomal J Med Sci* 2011; 9:166-9.

Journal titles should be abbreviated as in Index Medicus available at <http://www.nlm.nih.gov/archive/20130415/tsd/serials/lji.html> . If not in Index Medicus then it should be abbreviated as available for Pakistani Medical Journals at <http://www.pak-medinet.com/>

In case of more than six authors, et al should be added after six authors.

Units of Measurements

Systems International (SI) units to be preferred where possible.

Drug Names

Generic names of drugs are preferred. Where essential the brand names can be given in parenthesis.

Review and Publication

Gomal Journal of Medical Sciences (GJMS) is a peer-reviewed journal. Manuscripts are initially examined by the Editorial Board and then sent to at least two reviewers, one from Pakistan and another from a developed country in the field of medical research. Comments of reviewers are conveyed to the authors

if deemed necessary for correction. Accepted articles are kept on waiting list for publication.

Copyright Notice

The authors agree that Gomal Journal of Medical Sciences (GJMS) owns the copyright of all the material submitted for publication.

GJMS has the right to reproduce, transmit, publish or distribute the contribution in the journal or otherwise.
